

Neighborhood Scavenger Hunt

A fun family challenge to find as many of these items as you can! On a nice day (or days!) use your phone to take photos of the items you find to remember what you have captured and what you still need to find.

There are no winners or losers, just fun.

If you find all the items, email [Andi Kaufman](#) for a special shout out!

- A cat in a window
- An address with at least 4 digits
